Sir/Madam:

I, Mollie E. Lettang, am the agent of record for the captioned application.

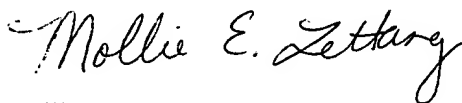

The terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 or 156 and 173 of any patent granted on application Serial No. 09/652,473 is hereby disclaimed, except as provided below, and it is agreed that any patent so granted on the above-identified application shall be enforceable only for, and during such period that the legal title to said patent shall be the same as legal title to any patent granted on application Serial No. 09/652,473, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantees, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of any patent granted on application granted on 09/652,473

in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a re-examination certificate, is re-issued in any matter or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal titles stated above.

The Commissioner is authorized to charge the required fees to Conley Rose, P.C. Deposit Account No. 03-2769/5854-00301.

Respectfully submitted,
